

Bridge - The Game That Gives Back

# ACBL Charity Foundation 2025 Awards - District 24

## Long Island Cares – The Harry Chapin Regional Food Bank

Thank you for your generous \$10,000 donation!  
The donation will be matched in its entirety by our Board of Directors thanks to a wonderful matching gift incentive for the month of July.  
This came at a critical time for Long Island Cares due to high demand for food.

John Probert, LIC Grants Specialist  
and Jon Kirchner, D24 Representative

## Family and Children’s Association

Debra Lamountain, Unit 242 and  
Jeffrey L. Reynolds, PhD, President and  
CEO, Family & Children's Association

For more than 140 years, Family & Children's Association (FCA) has been a cornerstone of support for Long Island's most vulnerable residents.

This \$5,000 grant from the ACBL Charity Foundation will directly strengthen our PACT program, a fitting acronym for Parents and Children Together, which has been supporting adolescent parents and their babies since the 1970s, even predating the creation of New York's Child Protective Services.

PACT provides comprehensive parenting education, case management, and preventive services designed to help young parents succeed while ensuring their children thrive.

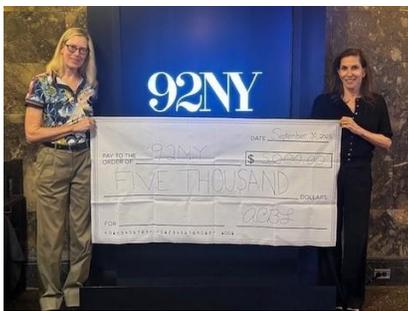

## Food Bank for New York

Your generous \$5,000 charitable grant from ACBL Charity Foundation will be used to purchase fresh and shelf-stable foods and further our mission to empower every New Yorker to achieve food security for good.

Alan Davidson, D24 and  
Alyssa Amolis, NYC Food Bank

## 92nd Street Y

Terri Coppersmith, 92nd Street Y  
and Barbara Ullman, D24

This year, 92NY will celebrate 75 years of vibrant connection, creativity, and lifelong learning for older New Yorkers.

At the heart of this is 92NY’s Himan Brown Program — an innovative, year-round community for active, intellectually curious adults ages 60 and up. From fitness and game play - bridge is especially popular - to studio art, political science, music, literature, creative writing, history, Judaic studies, drama, and dynamic discussion groups - our offerings are as rich and diverse as our members themselves.

The Himan Brown Program is a thriving, intergenerational hub of engagement, exploration, and joy.

## Ansonia Music Festival

Ansonia Music Outreach has been bringing the gift of music to New York City audiences for over 30 years. Your generous donation of \$5000 from the ACBL Charity Foundation will enable us to present free in-person and online concerts and classes for the homebound elderly, and for older adults at senior centers and senior care facilities. The positive effect that music can have on our hearts and minds is immense. Your gift is truly important to us and makes our work possible.

Jeffrey Rothstein, D24 and  
Simon Saad, Ansonia Music Festival
